CENTURY LIFT-A-THON FUNDRAISER

Century Football Supporter:

The Century Football team is raising money for their 2010 "Spirit Pack" (t-shirts and shorts with logos and possibly other accessories depending on how much money is raised). Having all the young men dressed in matching 2010 football gear will make them look and feel like a first class high school team! Doing a fundraiser for this package takes away the financial burden that this may cause on many of our families.

You may donate a specific amount or, in the spirit of the lift-a-thon, you may challenge the player and donate an amount per the pound that the player bench-presses on our lift-a-thon day after spring break. For example, if you pledge ten cents per pound and your player bench-presses 200 pounds, you would owe a pledge of twenty dollars. If you would like to attend the lift-a-thon your player will notify you of the day and time it will take place in the Century weight room.

Thank you for your support and go Centurions!!!!
